

SPONSORSHIP PACKAGES

More than 1000 participants are expected at the next edition of the ITER Business Forum (IBF/19) with high level participation from ITER Organization and Domestic Agencies. The event will associate the largest awarded companies in Europe and partners countries as part of the conference.

Sponsoring IBF/19 will give your business or organization a unique platform for promotion and give you a unique opportunity to reach a new audience and to increase your brand's exposure. It will increase your visibility towards:

- ITER Organization and Domestic Agencies
- Companies and organizations participating in IBF/19
- Companies and organizations visiting www.iterbusinessforum.com

There are 3 types of sponsoring packages in which businesses and organizations can choose to support this event. Sponsorship applications must be sent to contact@iterbusinessforum.com

Furthermore, if you have special ideas for sponsoring in mind outside this framework, please do not hesitate to contact us (contact@iterbusinessforum.com).
